Dear Mr Belton

**CITY WILDLIFE SITE, CAMBRIDGE REGIONAL COLLEGE, KING'S
HEDGES, CAMBRIDGE
ARCHAEOLOGICAL DESK-BASED ASSESSMENT**

Further to our compilation of a desk-based assessment for the above site, and your subsequent enquiry, we confirm that the site does have an archaeological potential.

We suggest that the requirements for archaeology could be dealt with by a negative condition on any approval.

We hope that this is useful, but if you have any questions please do not hesitate to contact us.

Yours sincerely

Jon Murray
Senior Projects Manager
